NOTICE OF PROPOSED RULE MAKING**Adopted: May 16, 2001****Released: May 25, 2001****Comment Date: July 16, 2001****Reply Comment Date: July 31, 2001**

By the Chief, Allocations Branch:

1. The Commission considers herein a petition for rule making filed on behalf of Radio East Corp. ("petitioner"), proposing the allotment of Channel 287C3 to Alamo, Georgia, as that community's first local aural transmission service. Petitioner states that, if the channel is allotted to Alamo, petitioner will file an application to implement the allotment at such time as this proposal is adopted.

2. Petitioner states that Alamo, Georgia is an incorporated community and had a 1990 U.S. Census population of 855 persons. Petitioner observes that Alamo has its own elected officials and a newspaper.

3. A staff analysis has determined that Channel 287C3 can be allotted to Alamo, Georgia, consistent with the requirements of Sections 73.207(b)(1) and 73.315(a) of the Commission's Rules at coordinates 32-19-29 NL and 82-43-23 WL . This is a restricted site 20.4 kilometers (12.7 miles) north of Alamo's center city coordinates, in order to avoid short-spacings with the license of Station WMCG(FM), Channel 285A, at Milan, Georgia and a construction permit for that station on Channel 285C2.

4. Since allotting Channel 287C3 to Alamo, Georgia, would provide the first local aural transmission service to Alamo, the Commission believes that it would serve the public interest to solicit comments on the possible allotment of Channel 287C3 to Alamo, Georgia. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Alamo, as follows:

<u>Community</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Alamo, Georgia	-----	287C3

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before July 16, 2001, and reply comments on or before July 31, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW; Room TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

The Office of Dan J. Alpert
2120 N. 21st Road
Arlington, Virginia 22201

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact R. Barthen Gorman, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral

information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment, which has not been served on the petitioner, constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment that has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

APPENDIX

1. Pursuant to authority contained in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations, as set forth in the Notice of Proposed Rule Making to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off Procedures. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules.)

(b) With respect to petitions for rule making which conflict with the proposal in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Office of the Secretary, Federal Communications Commission, 445 Twelfth Street, SW., Room TW-A325, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of Section 1.420 of the Commission's Rules and Regulations, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.
